Считай по-русски! Count in Russian!

(schee-taee pah-roo-skee)

Note to parents: Russian is a "case" language and therefore requires different forms for the noun that follows the number.

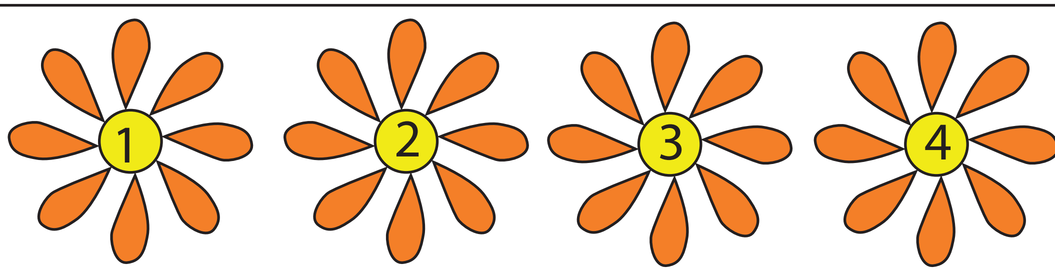

один цветок (ah-deen tsve-tok) one flower

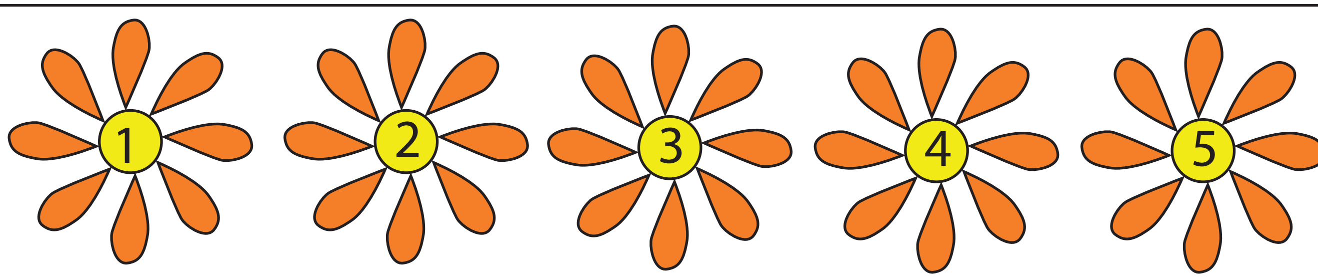

два цветка (dva tsvet-kah) two flowers

три цветка (tree tsvet-kah) three flowers

четыре цветка (che-tiyr-ye tsvet-kah) four flowers

пять цветов (pyat' tsve-tov) five flowers
